

COVID-19 IMPORTANT INFORMATION

The COVID-19 situation in Australia and New Zealand continues to evolve and Frontier anticipates Government and Health Authority requirements will continue to change.

As the promoter, Frontier must consider stipulations from Government, Health Authorities, Artists and Venues in determining the COVID Safe measures for each Event. These requirements may include, but not be limited to, proof of vaccination, QR code check-in, social distancing, mask wearing and/or other measures. You will need to comply with these requirements in order to attend Frontier's events and will be kept up to date with developments in the lead-up to the tour.

You agree to follow Event policies (including health and safety policies) and COVID Safe measures and instructions (including any proof of vaccination requirements) in place at the time of the Event while at the Event.

COVID-19 is an extremely contagious disease that can lead to severe illness and death. There is an inherent and elevated risk of exposure to COVID-19 in any public place or place where people are present and there is no guarantee, express or implied, that those attending an Event will not be exposed to COVID-19. You should evaluate Your risk in determining whether to attend the Event. By entering the Event, You voluntarily assume all risks related to exposure to COVID-19.

See Item 8 for CANCELLED, RESCHEDULED OR SIGNIFICANTLY RELOCATED EVENTS due to COVID-19.

We are aware tickets to an Event may be sold through unauthorised operators at excessively inflated prices. If You buy tickets from unauthorised operators, You do so at Your own risk and neither us nor the Authorised Ticketing Agent will be able to assist You.

Please read the Live Performance Australia [Safe Tix Guide](#) and the NZ Commerce Commission guide on [Buying Event Tickets](#). Frontier does not allocate any tickets for Events to unauthorised re-sellers (which include but are not limited to Viagogo; Stubhub; Ticketfinders; and Worldticketshop.
